

DEVELOPEMENT PROGRAMME

2025

EUROPEAN CANOE ASSOCIATION

HIGH PERFORMANCE

4- HIGH PERFORMANCE

OUR VISION

Consolidate Europe's leadership at the international level.

OUR PRIORITY

Support federations, athletes, coaches, officials towards high performance.

WHAT

1. Support federations and develop synergies and partnerships between federations for high performance.
2. Develop the number and qualifications of our coaches, judges and officials.
3. Increase the participation of our NFs and athletes to European and international competitions.

ECA SURVEY

ECA NFs Think that it is very important or important to

1-Develop synergies between the federations (93,9%)

2-Set up courses for coaches and officials (85,8%)

3-Develop training camps for the athletes (70,6%)

4- HIGH PERFORMANCE

PRIORITIES

1. Support federations and develop synergies and partnerships between federations for high performance.
2. Develop the number and qualifications of our coaches, judges and officials.
3. Increase the participation of our NFs and athletes to European and international competitions.

2025

- Coach and athletes solidarity and exchange programmes: study the feasibility of a coach and athletes exchange programmes within the ECA.
- Use the European Championships calendar to organize coach judges and official courses.
- Set up a European training center in Vaires sur Marne
- Develop European training camps to increase the number of nations and athletes participating in the various European championships. Define a programme and budget for the different discipline.

2026

- implement the coach and athletes exchange programmes.
- Use the European Championships calendar to organize coach judges and official courses.
- Continue to develop European training camps
